

All Involved Intent Guideline Pledge

As an _____ of the "All Involved" program for CommunityHealth, I hereby pledge to uphold the following core values in all my actions and interactions with the community:

Trust

I will strive to earn the trust of those I serve and work with, by acting with honesty, integrity, and reliability.

Respect

I will treat every individual with dignity, empathy, and kindness, valuing the diversity of experiences, backgrounds, and perspectives.

Excellence

I will continuously seek to improve my skills, knowledge, and performance, delivering the highest quality of care and service to our community.

Justice

I will advocate for fairness, equality, and inclusivity, working to address systemic barriers to health and social equity.

Collaboration

I will work cooperatively with my colleagues, partners, and community members, recognizing that together, we can achieve more than we can alone.

By adhering to these core values, I commit to serving the mission and vision of quality health care for all, contributing to the well-being and resilience of our community.
